I AM SANTA CLAUS

Everyone thinks of Santa Claus as a magical figure without flaws, but the men who keep his legend alive, real-bearded professional Santa's, are nothing like the jolly ol' Saint Nick we've all grown up knowing. In reality, the mall Santa in your cherished children's photo has problems just like the rest of us. Even the jolliest of men fall victim to divorce, job loss, insecurity and even the occasional hangover.

I AM SANTA CLAUS (featuring Hall of Fame Wrestler, Mick Foley) is a documentary that follows the lives of five real-bearded professional Santa Clauses as they anticipate the coming holiday season while showing them for who they actually are; flawed, flesh and blood men who feel an overbearing responsibility to protect the integrity of the spotless, untarnished reputation of the "Red Suit."
